Dear All

Summer Meeting 2006

Please find enclosed the provisional programme and registration form for the Summer Meeting.

I look forward to welcoming you to Dundee for the meeting.

The meeting itself is to be held in the Dundee Hilton Hotel. The Hotel is within about 2 minutes walk of the Train Station. There are regular services from both Edinburgh and Glasgow. The East Coast Mainline Services which go from London to Aberdeen pass through Dundee.

There is also a small airport at Dundee which has direct flights from London City Airport and Jersey amongst others.

I hope the programme which concentrates on the management of medical problems and special needs is of interest to all. I have also included a session on recent changes to resuscitation guidelines as both the Resuscitation Council and the GDC have produced guidance in this area.

On the Saturday morning we will look at the ever thorny issue of antibiotic cover!!

There is also the opportunity for free papers. Anyone who wishes to present, please contact me at the address on this letter.

Socially the hotel is just next to Discovery point where the ship that took Captain Scott to the Antarctic is on permanent display and is well worth a visit. There are a number of other attractions close to the hotel.

Dinner on Friday night is at Tannadice Park, the home of Dundee United one of the Scottish Premier League Clubs. Transport will be provided between hotel and dinner venue.

Hope to see you there!

With best wishes
